The Role of Empowerment Self-Defense in the Prevention of Violence

9:00-10:00

Dr. Gal Harmat,
Walks of Life.

Gender intersectional analysis is examining how the same situation affects all people from various ethnicities, genders, races, sexual orientation, marital status and socio-economic backgrounds in fundamentally different ways. We will conduct a gender analysis that will look further into Empowerment Self-Defense as the repertoire among people from all walks of life.
